

Requirements for the Associate in Arts (AA) degree

Degree requirements include the following: courses in your **major**; one of the three **general education** patterns; and the **additional campus graduation requirements** listed below. Combining these areas and, if necessary, elective courses must equal **60 total credits** with a minimum total grade point average of 2.0 in order to graduate. Credits earned in courses numbered P070-P089 do not count towards graduation.

- **Major Requirements**

The courses required for your major are listed in the college catalog. You are encouraged to purchase a catalog the first term you enroll and keep this throughout your education at Porterville College.

- **General Education Requirements**

There are three general education patterns you may select from to complete your requirements. Your specific academic goal will determine which one of these checklists to follow. The table below will help you decide which checklist is more appropriate for you:

Goal: **Not planning on transferring** after completing the degree
Checklist: Follow the **PC General Education** Checklist

Goal: **Transfer to a California State University (CSU)** after completing the degree
Checklist: Follow either the **CSU General Education Breadth** or the **Intersegmental General Education Transfer Curriculum (IGETC)** checklist

Goal: **Transfer to a University of California (UC)** after completing the degree
Checklist: Follow the **IGETC** checklist

- **Additional Campus Graduation Requirements**

In addition to the major and general education requirements indicated above, you must also complete the following campus graduation requirements: **Education P101**; **Ethnic Studies** (see listing of Ethnic Studies courses on the PC general education checklist); and **2 units of physical education** (students who will be over 21 years of age at the time of graduation do not need to complete the physical education requirement).

The **Associate in Science (AS)** degree may be awarded to students who satisfy the general education and additional campus graduation requirements listed above, and complete 18 credits in the biological and physical sciences. Students must select courses from the following: ASTR P101; BIOL P105, P106; CHEM P101A, P101B, P106, P108, P202A, P202B; MICR P106; PHYL P101, PHYS P102A, P102B, P104A, P104B, P204A, P204B.

Dual Degrees/Majors: Credit used to satisfy the major requirements in one degree/major cannot be used to satisfy a major requirement in the other degree/major.

2002-2003 INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

The IGETC is a general education program which community college transfer students may use to fulfill lower-division general education requirements in either the UC or CSU system.

Students pursuing majors that require extensive lower-division preparation may not find completing the IGETC option advantageous. Biology, Engineering and Liberal Studies are examples of these majors. Please consult with an academic advisor.

All courses must be completed with a grade of "C" or higher. A course may meet only one area of IGETC.
