Completion of all the requirements in the Intersegmental General Education Transfer Curriculum (IGETC) will permit a student to transfer from a community college to a campus in either the California State University or University of California system without the need, after transfer, to take additional lower-division, general education courses to satisfy campus general education requirements.

The course requirements for all areas must be completed before the IGETC can be certified. A course may meet only one area/subdivision requirement. All courses must be completed with grades of "C" or higher.

Instructions to evaluator: Check boxes for completion in the appropriate column at left. Requirements satisfied by exam should be noted by asterisk and anecdotal entry.
